2019 MINISTRY DESCRIPTION

- Running the leprosy program of SIM Doro Clinic in South Sudan for local people and refugees
- Training local people to run the clinic
- Discipling and building friendships with women in the local church

2019 PRAYER REQUESTS

- Praise: I began training a new assistant, Harun, and he's doing well
- Continued development for Harun in the leprosy program
- That the women in the Doro church will continue to hunger for God's Word
- That the local churches in Mabaan will reach out to people in their communities to assist with physical and social needs
