## 2019 MINISTRY DESCRIPTION

Contribute to the multiplication of transformational churches in Ivory Coast through:

- Training pastors and Ivorian missionaries
- Medical clinic outreach to Muslims
- Training and mentoring business owners

## 2019 PRAYER REQUESTS

- Praise: 12 people finished their missionary training and are planting churches among unreached people in Ivory Coast
- More missionaries to be called for the harvest in Francophone Africa
- Greater effectiveness in training key Ivorian Christian leaders and missionaries
- Growth in our own experience of God's grace and love so our ministry will be full of Christ and not ourselves
