2019 PRAYER REQUESTS

- Praise: a candidate has been identified to fill the position of Professor of Old Testament, and is in the process of joining the faculty
- Continued adjustment for our family and our son Paul, who is now in college in the U.S.
- PhD program students, who are also all full-time pastors, would successfully complete the course requirements while maintaining other responsibilities
- Plans to ultimately identify a replacement for Steve at Cebu Graduate School of Theology
