2019 PRAYER REQUESTS

- Praise: T-Net Malawi began in 2015 with 45 trainees under instruction of Valley teams. Now, there are over 1,300 church leaders being trained by Malawians!
- Wisdom for country director Eugene Chinunga in leading Malawi T-Net while pastoring his own church
- Ability of Zimbabwe students to afford the T-Net training fees
- Impact of T-Net-trained Malawians who are starting T-Net in Mozambique
