

Extended Hands Ministry

Extended Hands is a women's care ministry run by women for women. The Extended Hands volunteers will help single mothers or elderly women organize their homes during times when the latter feel overwhelmed due to a major loss or negative event. The volunteers will not do ongoing house cleaning, but will focus on helping to organize the house to make the home life run more smoothly and efficiently and will offer spiritual support. A volunteer team will typically help a care receiver once per month on a Saturday for approximately 1.5 – 2 hours for 2-3 months.

If you are interested in volunteering for this ministry, please contact Lynne Gucwa at 860.673.6826 x108.
