

Prayer Shawl Ministry

Care and Counseling is sponsoring a Prayer Shawl Ministry. We are looking for anyone who would like to knit or crochet shawls. These will be given to comfort people who need some extra love. If you must stay at home, or are unable to take part in other activities at Valley, this might be a perfect way for you to be a part of Christ's work.

We are knitting in blue to start but will expand to other colors. Yarn is provided. You will need size 11 needles. If you only crochet we have directions for that method also.

For more information or to join the group, please call Lynne Gucwa, 860.673.6826 x108. Ruth Hutchings is the contact person and will call you to answer your questions.
