

The Stephen Ministry

The Stephen Ministry is a lay ministry program that equips people to provide Christian care to those experiencing all kinds of life needs and circumstances. Through a confidential one-on-one caring relationship with a Stephen Minister, someone experiencing challenging times can receive the love, care and support that they need.

- Could you benefit from the support of a caring Christian friend?
- Are you adjusting to a new job, a change in marital status, a serious illness, the death of a loved one, or a recent move?
- Is your health, attitude, or your relationships affected?
- Are you caring for someone experiencing these or other of life's transitions?
- Would you like to have another caring presence in your life?

Please consider allowing a Stephen Minister to walk with you on your journey back to wholeness.
