

# FAMILY MISSION TRIP Report

July 30 - August 6, 2011

## PARTICIPATING FAMILIES:

Adam, Avezzie, Brown-Follins, Goldie, de Lacy, Gaston, Maida, Meter/Horn, Meter, Metzger, Michaud, Neville, Niek, Parent, Peters and Peterson

This week was full of GOD:

- 14 kids made first time commitments to Jesus Christ.
- Kanehsatake had 26 kids on the first day of the PandaMania summer Bible club – the largest first-day since we started in 2004.
- Peoples Church averaged 62 kids each day. The church expanded its outreach ministry by planning follow-up rallies to maintain the excitement of the kids about PandaMania.
- Team members mentored one another through daily testimonies, “encouragement cards” and individual conversations.

This week was full of GIVING:

- Kanehsatake Church rallied around a team member who had an expensive car repair. They more than covered the cost!
- Peoples Church showed its appreciation by giving our entire group free tickets to the local water park.
- Team members shared camping tasks, car rides and child care.

This week was full of SUNSHINE:

- We had the best weather in seven years of ministry: cool mornings for ministry, sunny afternoons for family fun and only one night of rain. Both host churches had prayed for months for good weather on our trip. As we learned in PandaMania, God is listening!

This week was full of LOVE:

- We are seeing results from our relational ministry with the Mohawks. Disruptive kids responded to individual attention and loving correction.
- At Peoples Church, parents jumped in to translate English into French. Many parents stayed the morning to enjoy the program with their kids.
- Community dinners and entertainment were great times to laugh and play together. Campfires gave us a chance to relax and to appreciate what God has done in our lives.

## Valley plans to send another team in 2012.

A third church in Hudson, Quebec needs help with its summer Bible club. Opportunities abound for ministry at Kanehsatake and Peoples. Will you join us? Are you ready to be FULL?
